

Bucks Safe Haven Information for Referrers

Bucks Safe Haven is an out-of-hours crisis support service run by Buckinghamshire Mind in partnership with Oxford Health NHS Foundation Trust. We opened in August 2018 as a pilot-long project, although we have recently secured an extension for a further year.

We are open to clients on Sunday, Monday and Tuesday evening between 6.30pm – midnight, with last entry at 11pm. We provide a relaxed and informal environment to relax with refreshments. We offer time to talk, think or simply ‘be’ in a calming environment during a crisis. Most time will be spent in a group environment, but one-to-one support is available at request. Individuals accessing Safe Haven do not need to have accessed Adult Mental Health Services or Buckinghamshire Mind prior to attending.

We accept professional referrals and self-referrals. Should you wish to refer someone please contact us by emailing buckssafehaven@oxfordhealth.nhs.uk or calling us on 07508 350553. Please note that we are only able to respond to telephone calls and emails during our opening hours (detailed above). Alternatively, if an individual wishes to self-refer, we would ask that they call us during our opening hours on 07508 350553.

If we have serious concerns about someone for whom you are the primary care worker, we may wish to discuss these with you.
